Duso C., **Pozzebon A.**, Kreiter S, Tixier M.S., Candolfi M. – 2012 - The control of phytophagous mites in European vineyards. in the N. J. Bostanian, R. Isaacs & C. Vincent (Eds.) *Arthropod Management in Vineyards*, Springer.

- **Presentation held at congress or meetings:**

Oral communications:

IOBC/WPRS working group "Working Group "Pesticides and Beneficial Organisms" meeting - 11-13 October Chania, Greece, Keynote talk "Trophic-mediated effects of pesticides on predatory mites" **Pozzebon A.**, Tirello P., Duso C.

XIII Symposium of European Association of Acarologist (EURAAC) – 11-15 July 2016, Valencia, Spain "Biological control of spider mites in North-Italian vineyards using pesticide resistant predatory mites" Lorenzon M., **Pozzebon A.**, Duso C.

XXIV Congresso Nazionale Italiano di Entomologia, Padova 20-24 June 2016 "Dinamica spazio-temporale dei Cicadellidi della vite e dei loro parassitoidi oofagi in agroecosistemi del Veneto" **Pozzebon A.**, Fornasiero D., Manera A., Berto D., Cuppari G., Tirello P., Lorenzon M., Duso D.

7<sup>th</sup> Spider mites Genome meeting – 28 September – 1 October 2015, La Escala, Spain "Pest status of spider mites in Italian vineyards" **Pozzebon A.** Duso C.

IOBC/WPRS working group "Integrated Control of Plant-feeding Mites" meeting – 08-10 September 2015, Castelló de la Plana, Spagna "Effects of supplemental food and habitat structural complexity on generalist predatory mites inhabiting grapevine." **Pozzebon A.**, Loeb G.M., Duso C.

IOBC/WPRS working group "Integrated Control in Protected Crops, Temperate Climate" meeting - 14-18 September 2014, Ghent, Belgium: "Combined use of biological control agents on ornamentals: two case-studies." **Pozzebon A.**, Boaria A., Duso C.

XXIV Congresso Nazionale Italiano di Entomologia, Orosei (NU) 9-14 June 2014 "Studio della dinamica spazio-temporale dei tripidi fitofagi e dei loro antagonisti naturali su colture ornamentali protette" Boaria A., **Pozzebon A.**, Duso C.

IOBC-WPRS Working Group "Integrated Control in Protected Crops, Temperate Climate" meeting - 8 - 22 September 2011 Sutton Scotney, Regno Unito "Spatial and temporal dynamics of *Frankliniella occidentalis* on protected ornamentals" **Pozzebon A.**, Boaria A., Duso C.

XII International Congress of Entomology, 6-12 July 2008, Durban, South Africa “Effects of different routes of exposure to pesticides on the predatory mite *Phytoseiulus persimilis* Athias-Henriot (Acari Phytoseiidae) and its prey”- Duso C, **Pozzebon A.**, Tirello P., Bermudez Ortiz P.

IOBC/WPRS working group “Integrated Protection in Viticulture” meeting – 25-27 October 2007, Marsala, Italia “Integrated pest management” dal titolo: “Effects of grape downy mildew on interactions between fungicides and predatory mites on grapevines”- **Pozzebon A.**, Duso C., Tirello P.

XII International Congress of Acarology, 21-26 Agosto 2006, Amsterdam, The Netherlands “Pesticides side-effects on predatory mites: the role of trophic interactions” - **Pozzebon A.** , Duso C.
